Hunter agrees to supply equipment of the type specified on an as available basis ex Hunter's depot locations in Australia. Hirer acknowledges receipt of the equipment hired hereunder in good condition as evidenced conclusively by its execution of this Agreement. Any time quoted by Hunter for delivery of equipment is an estimate only and Hunter is not liable for late delivery, or non-delivery, for any reason. Hunter shall not be liable to Hirer for any consequential loss or damage arising from such delay or non-delivery or non-supply. The equipment covered by this Agreement will be located at the Hirer's address listed in this Agreement for the duration of the hire. Written approval from Hunter is required prior to any relocation of the equipment.

3. ACCOUNT CUSTOMERS

Hunter, must receive payment of the invoiced amount, including GST, without deduction, within 14 days of the date of Hunter's invoice. If Hirer commits any act of insolvency, all money due and owing by Hirer to Hunter, whether by way of credit or otherwise, will become due and payable immediately. Hunter reserves the right to suspend, with or without notice, any deliveries of goods or services if any payment due by Hirer to Hunter is overdue. Hunter may also request credit card details from hirer and may upon signed agreement, process credit card payments for hire in advance. Hirer must pay all costs and expenses (including legal costs) that may be incurred by Hunter in the attempted recovery of the overdue amount.

4. OPERATION, MAINTENANCE AND REPAIR

Hirer shall at its sole cost and expense, maintain the equipment in good repair and safe operating condition. Hunter's equipment is identified by appropriate lettering and numbering, which Hirer agrees not to change or obliterate, except that at the request of Hunter, Hirer may change or supplement such marks, as Hunter shall request. Hirer may, however, add other markings as may be required, provided that the equipment so marked when returned by Hirer to Hunter, shall be free of all such markings. If Hirer fails to remove such markings, Hunter may remove such markings for the account of Hirer. Hirer shall have no power to incur, and shall keep the equipment free from charges, liens or encumbrances. Hirer shall comply with all legislation, by-laws and regulations affecting the use of the equipment.

5. REDELIVERY AND OFF-HIRE

Containers shall be returned to hunter's designated depot as listed in this Agreement. Equipment shall be off-hired on the date of physical redelivery into Hunter's depot. **To confirm an off-hire, the Hirer must fax or email the attached Off-Hire Notification Form.** Hirer is liable to Hunter for all damage to or loss or destruction of the equipment subsequent to delivery and prior to return to Hunter except that caused by normal wear and deterioration. Normal wear and deterioration shall not include damage by forklifts or other handling equipment, or changes, which could have been prevented by normal maintenance and/or reasonable care in use. Hirer agrees to redeliver containers in clean condition and free of labels and graffiti. Upon redelivery of containers, damage repair or cleaning costs shall be to the account of Hirer. Hirer will pay such repair or cleaning costs, including GST, without deduction, within 14 days of the date of Hunter's invoice. In the event of loss, theft, destruction of the equipment or damage thereto which Hunter, in its sole discretion shall determine is not repairable, rental charges shall terminate upon receipt by Hunter of written notice of such event, provided payment of the replacement value for the equipment as stated on the cover of this Agreement is made to Hunter within thirty (30) days of such notice. If payment is not made within thirty (30) days, rental charges shall continue to accrue unabated until Hunter receives such payment. Payments by Hirer shall not be applied to charges for the replacement value of equipment unless specified by Hirer. Should Hirer fail to return equipment upon termination of the Agreement Hirer agrees that all of its obligations (including, without limitations, the obligation to pay the hire charges) to Hunter shall continue in effect until all equipment hired under this Agreement has been returned to Hunter.

6. SUB-HIRE AND ASSIGNMENT

Hirer shall not have the right to assign this Agreement or to sublet, rent or otherwise hire out or part with possession of the equipment, to any other party without prior written consent of Hunter and such consent of Hunter shall not operate to relieve Hirer of any of its obligations hereunder. Hirer may not direct interchange equipment to another party.

7. QUIET ENJOYMENT

Hirer's obligations under this Agreement are absolute and shall not be affected by any circumstance or event beyond Hirer's control, of whatever nature. Provided Hirer complies with all of the terms and conditions of this Agreement, Hirer shall have quiet possession of the containers.

bankruptcy act, or its counterpart under the law of any territory outside of the jurisdiction of Australia, then Hunter may without notice and without releasing Hirer of its obligations hereunder, terminate this Agreement, declare the balance of the rental to be due and payable, and retake possession of the equipment free of any claims of Hirer, and for this purpose Hirer hereby irrevocably authorises Hunter to enter upon any property occupied by Hirer for the purpose of removal of containers hired to Hirer. Hunter may, in its sole discretion, waive a default by Hirer, but any such waiver or waivers shall not be construed to modify the terms of the Agreement between Hunter and Hirer. In the event of such termination by Hunter, Hirer shall no longer be in possession of the equipment with Hunter's consent and Hirer shall return the equipment to Hunter's designated depot as listed in this Agreement. Hirer shall continue to pay rental charges for equipment until the equipment is (i) returned in as good condition as received, normal wear and deterioration excepted, (ii) repaired and fit for subsequent rental, or (iii) settlement is made. Without limiting Hirer's indemnity obligations under Section 9 of these Hire Terms & Conditions, should Hunter retake possession of all or any part of the equipment, Hirer authorises Hunter to take possession of any property in, on or attached to such equipment which is not the property of Hunter, and without liability for its care or safekeeping, to place such property in storage at the risk and expense of Hirer. With regard to any equipment not returned to Hunter within thirty (30) days of termination, Hirer will then owe Hunter an amount equal to the full replacement value as provided for in the Agreement, without regard to depreciation, for any equipment which has not been redelivered. Termination shall not relieve Hirer of any liabilities or obligations incurred prior to such return, repair or settlement. If Hirer shall neglect or omit to do anything in relation to the equipment whereby Hunter's interest therein may be adversely affected, then Hunter may remedy such neglect or omission and all monies expended in so doing shall forthwith be payable by Hirer to Hunter. Repayment shall carry interest at the rate of ten (10%) percent per annum accruing on a daily basis until full repayment is received by Hunter.

9. INDEMNITY

Hirer shall indemnify and hold Hunter harmless from all liability, damage, cost or expense (including, without limitation, expenses in defending any claim or suit such as attorney's fees, court costs and other expenses) arising out of any (i) failure of Hirer to comply with its obligations under this Agreement; (ii) any claim whether private or governmental for personal injury or death, and for loss of or damage to person, property, cargo or vessels arising out of or incident to the ownership, selection, possession, leasing, operation, control, use, storage, loading, unloading, moving, maintenance, delivery or return of the equipment; (iii) any forfeiture, seizure, or impounding of, or claim of charge, lien or encumbrance on the equipment. Each party undertakes promptly to give notice to the other of claims against it or action against it with respect thereto and Hirer agrees not to settle any action without the consent of Hunter.

10. LIMITATION OF LIABILITY

To the extent permitted by law, Hunter and its servants and agents are not liable for any loss or damage (including without limitation loss or damage caused by the negligence of Hunter, or its servants or agents, and incidental and consequential loss or damage) arising from or in connection with the supply of goods or services.

The equipment is hired as is. No condition or warranty whatsoever of any kind has been given by Hunter, and all conditions and warranties whether expressed or implied, whether in relation to the fitness of the equipment for any particular purpose or country, or whether in relation to merchantability or as to description, state, quality or condition of the equipment at delivery or at any other time are hereby waived, excluded and extinguished. Hunter is not liable for any loss or damage Hirer may suffer if Hunter cannot do what it has promised because of events beyond its reasonable control.

11. ENTIRE AGREEMENT

Hirer agrees that Hunter will only hire equipment, itemised in a Quotation or otherwise, pursuant to this Agreement, and any additional term included in the Quotation. An agreement between the parties may not be varied without the prior written consent of Hunter.

12. WAIVER

The failure, delay, relaxation or indulgence on the part of Hunter in exercising any power or right conferred upon Hunter by this Agreement does not operate as a waiver of that power or right, nor does any single exercise of any power or right preclude any other or further exercise of it or the exercise of any other power or right under this Agreement.

13. GOVERNING LAW

The laws applying in New South Wales, Australia, govern this Agreement. The parties agree to submit to the non-exclusive jurisdiction of the courts exercising jurisdiction there.
